

# WHAT MAKES BEAST® HOOK UNIQUE?

- ✓ **Large diameter, quick-twist handle**
  - easy to grip/adjust while wearing concrete gloves and gives the ability to apply a substantial amount of torque
- ✓ **No tools necessary** to clamp screed hook onto stake or rebar
- ✓ **“Sight Window”** on both sides of the barrel **allows user to quickly locate top of slab elevation**
- ✓ **Internal, concealed coil threads**
  - **stay clean** in harsh concrete environments
  - allows for **fast, easy adjustment in the field**
- ✓ **Superior quickness and ease of clamping**  
to either a stake or rebar

AT WORLD OF CONCRETE

## **WINNER “World of Concrete” MIP 2017!**

# BEAST<sup>®</sup> HOOK IS A **FASTER, EASIER** WAY TO SET 2X4 OVERHEAD SCREEDS.

## It's quick, simple, and easy to install.

**Beast Hook** eliminates the need for separate tools necessary when setting traditional screed hooks. Instead, it is designed with an easy grip large diameter, quick-twist handle for lightning-fast adjustment in the field, even while wearing concrete gloves. You can use **Beast Hook** on any import or domestic round nail stakes up to 3/4" diameter, 3/4" square nail stakes, and on most #4, #5, and #6 rebar. Or use with Beast<sup>®</sup> Foot and Beast<sup>®</sup> Form Stake and make it a vapor barrier-safe overhead screed system.

Contractors can easily locate their top of slab elevation through **Beast Hook's** revolutionary "sight windows", conveniently located on both sides of the barrel. No more adjust, stop, check, *repeat*... Stego Industries is striving to give you products that make

your crews more efficient on the jobsite, which translates to savings for the contractor.

**Beast Hook** is *engineered to be re-used over and over again for maximum value*. Internal, concealed coil threads stay clean in harsh concrete environments and allow for hassle-free installation. No more rusty threads, no more labor intensive difficult to use, old-fashioned screed hooks.

**Locate It, and Lock It Down!**

*Pull Tab for quick and easy installations.*

**VAPOR BARRIER SAFE!**

**BEAST® SCREED** is a fixed-elevation, point-to-point guide screed system designed to replace common wet-screed methods.

Now concrete placement crews can utilize the BEAST SCREED SYSTEM on elevated deck pours with **BEAST® DECK FOOT**.

**Beast® FORM STAKE** can be used with Beast® Foot as part of the Stego vapor barrier-safe forming system which meets ASTM E1643 requirements. Beast Form Stake can also be used with Beast Foot and Beast Hook as a vapor barrier-safe 2x4 screed system.

*Improve efficiency and maintain concrete floor levelness with the BEAST SCREED SYSTEM!*

*Preventing punctures in the vapor barrier!*
